Web Developer Dear Hiring Manager,

I wanted to reach out to you with my interest in joining the team as a Web Developer.

My unique combination of education, skills and work experience has allowed me to develop my strengths in html5, javascript and css3 bootstrap5, Cms, Sass ect. Because of my varied background, I am a resourceful and creative problem solver. I can always find multiple solutions to even the most complex problems.

You may notice a gap in my employment while reviewing my resume. During this period, I elected to take a leave from the workforce in order to go back to school. The time that I was able to commit to my education has been invaluable to my professional growth, and I am eager to re-enter the professional sphere and apply my newfound qualifications and knowledge to the job.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I can be a valuable addition to you and your business goals. At your convenience, I am available for an interview or further discussion. I look forward to your response.

Sincerely, Jerry Ciccotti
